------------	-------	------	----	---	--------	--------	-------

Activity: Obstacle course. Set out a range of obstacles for children to go under, over, balance on, including a skipping rope on the floor for them to walk along etc

Explain to the parents:

- ✓ Today we are encouraging the children to take part in the obstacle course
- ✓ Let your children explore at their own pace
- ✓ Help them to balance on the box, walk along the rope and crawl through the tunnel
- ✓ This will help to strengthen their muscles and develop their coordination
- ✓ Try to use words such as *on, inside, next to, behind, through* as these are important mathematical words. Teachers tell us that children find these concepts difficult so the more we can use them with our children the easier they will find them.
- ✓ If you can use words such as these in everyday language, this will help your child start to link words with their experiences
- ✓ Encourage your child to jump from the block, hold their hand to give them confidence
- ✓ Encourage them to bend their knees as they land
- ✓ Always follow your child's lead
- ✓ Be positive and proud of your child's achievements.

EYFS Main Learning Outcome:
 16-26months ~ Makes connections between their movements and the marks they make.
 22-36 months ~ Climbs confidently and is beginning to pull themselves up on play equipment

Key Characteristic of Learning focus:
(playing & exploring, active learning, creating & thinking critically)
Be willing to have a go
Enjoy achieving what they set out to do

Resources:
 A range of tunnels, blocks to jump from, ropes to balance along

Safety Issues:
 Parents to supervise at all times

Differentiation / Inclusive Practice (Including provision for Boys):

Continuous Provision

Communication & language	Personal, social & emotional	Physical Dev	Literacy	Maths	Understanding the world	EA & D
Telephones, desk and key board office area	Home corner kitchen and dress up clothes	See focus	Free mark making Book corner	Matching games. Sorting bears.	Transport reference books, pirate ship, aeroplane, push along cars	scarves/materials and music-freedom movement
